

To whom it may concern:

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

This is plainly and obviously contrary to the spirit of the public trust granted to Sinclair by the FCC on behalf of the American people.

Our country is in peril; this is no time to seek refuge in bureaucracy. Please find a way to stop this tragic injustice. It is as much of a threat to the American idea as any terrorist group ever could be.

Sincerely,

Brad Kennedy
